

fort4thefatherless

bringing ft. wayne's churches together for orphans

fort4thefatherless is a grassroots initiative in Fort Wayne encouraging the city's churches to care for orphans. To the glory of God, the campaign's goal is to have many churches in Fort Wayne make a public declaration to care for orphans. The campaign hub is at www.fort4thefatherless.org.

The Pledge to Orphans is a tangible reflection of God's profound Father-heart for orphaned children. Congregations signing the pledge commit to:

- Regularly engage with Scripture as it relates to orphans.
- Consistently and holistically pray for orphans.
- Commit to developing an intentional strategy for caring for orphaned children at home and abroad.
